

Art on Main

Art on Main

Art on Main is a popular two day art show that focuses on high quality fine art and fine craft. Now in its 62nd year on historic Hendersonville's Main Street, Art on Main brings an economic boost to our entire community. We invite you to help support this community celebration of the arts which attracts large crowds of art loving patrons by joining our list of corporate and business sponsors. Our marketing plan begins here in Henderson County, and your sponsorship dollars help to expand our marketing reach to surrounding counties and states. Your participation with us in this event is an endorsement of the value the arts bring to Henderson County. Please join us as economic partners in support of the arts!
